## MC Introduction for Educators

**PLEASE READ THE FOLLOWING:**

**“Our speaker today has been speaking professionally for over thirteen years. Lon Jordan has spoken to thousands of students, parents, and educators and has written numerous articles for educational publications around the country. But, what Lon loves to do more than anything is to encourage others, and help them to realize and embrace their unique design. He sees the greatness in you.**

**Right now, I’d like to introduce to you, Lon Jordan!”**
